

## MZR22 1150 Watt Twin Paddle

- powerful positive contra-rotating mix action
- twin paddles for thorough mixing
- easy mix action
- for heavy epoxies, mortars & pastes
- fibre filled repair mortars
- bonding compound & hardwall
- ceramics, granulates & rubbers
- soft start, low splash
- H handle mixer for easy handling

The twin contra-rotating paddles generate a thorough and consistent mix action that reduces air entrainment

The twin paddles reduce counter rotational torque and the mixer drill does not try and twist when mixing the heavier materials; it minimises operator fatigue particularly with stiff materials

The MZR22 is the most thorough mixer for heavy mortars, fibre filled cements, pastes, putties and epoxies

The twin paddle action is also good for those plasters that are hard work to mix including bonding compound and hardwall

The MZR22 is suited to multi-component, specialist materials and critical mix applications

### MEGAMIXER MZR22 1150w

Speed	450rpm
Weight	6.8kg
Paddles	2 x EZR140
Capacity	25-75kg
Output	600kg/hr
Vibration level	4.3m/s
Noise level	77dBA
Voltage	110v or 240v
Transformer	3kva, 16 amp plug

### APPLICATIONS

heavy & repair mortars	✓
epoxies & screeds	✓
putties & lime mortars	✓
fibre filled materials	✓
specialist paints & coatings	✓
mix quantity 3 bag	✓

MZR22 & twin paddles

## TWIN PADDLE MEGAMIXER

**MEGAMIXER with double contra-rotating paddles, variable single speed, soft start**

Stock no	Description	Power	Weight	1 speed	Paddles	Mix	£ ex VAT
452142	MZR22 twin paddle mixer	1150 watt	6.8kg	450rpm	contra twin	25-75kg	399.00
