

## AHR24 Cordless Mixer

- 24 volt battery powered mixer
- alloy gearbox & metal gears
- supplied with 100mm paddle
- for factory use & site work
- mix finish plaster, skimming & Artex
- drywall joint compound
- paints & coatings

The AHR24 cordless battery powered mixer drill is intended for intermittent mixing on site. The mixer drill is powered by a 24 volt 1.7Ah quick charge battery; two batteries are supplied

It is supplied with an 100mm diameter ribbon type paddle for coatings; the basket type mixer is better for powder based materials

The AHR24 will mix finish plaster, drywall adhesive, Artex and paints

This battery powered mixer is designed for mixing in situ on site, in factories and labs. The cordless mixer drill is safer for use than mains powered drills in hazardous working environments or where there may be flammable materials

AHR24 24 volt

Speed 20-400rpm

Weight 2.9kg

Paddle spiral 4"

Capacity 5-25kg

Output 200kg/hr

Vibration level 0.6m/s

Noise level 68dBA

## APPLICATIONS

multi-finish plaster & textures	✓
heavy bodied paints & coatings	✓
floor paints	✓
mix quantity 1 bag	✓

AHR24 & RGA100G paddle

450321 paddle

021006 paddle

24 volt battery
