

EPO180-SE SANDER-EDGER

- for wooden floors & boards
- with dustex hood for edge work
- multi-hole perforated yellow velcro abrasives
- 1500 watt variable speed motor

The EPO180H-SE is a medium weight power tool for sanding wooden floors right up to the edge

The sander-edger has variable speed control from 1300 to 4000rpm, a powerful 1500 watt motor and H-handle design for easy handling

Superpad abrasives are perforated across the entire disc surface allowing sanding dust to be effectively removed by vacuum and preventing clogging

APPLICATIONS

- sanding wood floors & boards
- removing varnishes
- stripping floor paint
