

CARPET & ADHESIVE STRIPPERS

FLOOR STRIPPER

- 8" floor stripper with adjustable wheels
- vibration dampened

The floor stripper is built round a power tool driven oscillating stripper head; it has a solid motor cover and rubber mounted handle

The on-off switch is fitted to the T handle at hand height

The RFS210 is a compact floor stripper for lifting floor coverings, carpets and carpet tiles

The floor stripper will lift carpet and floor tiles leaving a minimum of residue and backing

It will lift lino, rubber floor coverings, foam backed and vinyls

The floor stripper works off screed, latex, concrete or wood surfaces

The 110 volt floor stripper will run off a 3kva power tool transformer; the 240 volt units will run off a 13 amp domestic supply

The replacement blade will fit other makes of floor stripper including Duro and Romus

APPLICATIONS

- strip floor coverings & vinyls
- lift carpet tiles
- remove felt, underlay, lino & cork

PCD DIAMOND FLOOR ADHESIVE & COATING STRIPPER

ADHESIVE & COATING STRIPPER

- 7" diamond floor grinder
- powerful 2500w motor
- pcd diamond disc for adhesives & latex
- segmented diamond disc for paints & coatings

The EBS180 is a diamond floor grinder with upright motor and full dust guard. It is a powerful rotary disc floor grinder supplied with two 180mm surface grinding discs

The on-off switch is fitted to the T handle at hand height

The compact machine is designed to work after the floor stripper has been used lifting floor coverings, carpets and carpet tiles. It will remove carpet residues and adhesives, reduce latex and cementitious floor topping, strip bitumatic and black jack adhesives

The floor grinder will prep screed, latex, epoxy or concrete surfaces

The 110 volt floor stripper will run off a 5kva power tool transformer; the 240 volt units will run off a 13 amp domestic supply

The two discs supplied with the machine include the pcd disc strip off and reduce latex, carpet residues, black adhesives and thick coatings; the twin row diamond disc it will remove floor coatings and epoxies

APPLICATIONS

- strip adhesive residues & black jack
- grind and level latex & cementitious toppings
- remove coatings & paint
- level screed & trowel marks
- take off tile cements
