

MAGNABOR GUTBUSTER DRILLS

- slow speed high torque morse taper drills
- powerful motors & robust gearboxes
- gutbuster engineers design
- for use with morse taper steel drills
- hole saws for steel & plastic
- large diameter wood drills & augers

The Magnbor EHB20/2 drill is a heavy duty slow speed power tool that are designed for use hand held, with a magnetic drill stand or bench drill stand

The power tools are traditional engineers drills for use in the steel and marine trades

APPLICATIONS

- drilling with large drills, hole saws & cutters
- into steel & aluminium
- wood & oak
- plastic & grp

AP16 chuck + MT2 arbor

GUTBUSTER DRILLS

MAGNABOR ROTARY MORSE TAPER SLOW SPEED DRILL, with 16mm chuck

| Stock no | Description | Power | Weight | 2 speed | Drill | Bore | £ ex VAT |
|----------|-------------|-------|--------|------------|-------|------|----------|
| 462000 | EHB20/2 | 1150w | 4.2kg | 250/450rpm | 20mm | MT 2 | 299.00 |

DRILL CHUCKS

ENGINEERS DRILL CHUCKS, heavy duty chucks & taper arbors

| Stock no | Description | Capacity | Internal Taper | £ ex VAT |
|----------|------------------------------|----------|----------------|----------|
| 432003 | AP16 5/8" chuck | 16mm | B16 | 32.00 |
| 432106 | morse taper 2 arbor for AP16 | | B16 | 7.00 |
| 432005 | AP20 3/4" chuck | 19mm | J3 | 49.00 |
| 432110 | morse taper 3 arbor for AP20 | | J3 | 9.00 |

ENGINEERS DRILL CHUCKS, medium duty chucks & threaded arbors

| Stock no | Description | Capacity | Thread | £ ex VAT |
|----------|------------------------------|----------|-----------|----------|
| 432015 | AH16 5/8" chuck | 16mm | 1/2" x 20 | 19.00 |
| 432112 | morse taper 2 threaded arbor | | 1/2" x 20 | 7.00 |
| 432113 | morse taper 3 threaded arbor | | 1/2" x 20 | 9.00 |
