SACK TRUCKS & FLAT BED TROLLEYS

SACK TRUCKS & TROLLEYS

- easy handling of bags & sacks
- heavy duty tubular frames
- folding base for easy transport

The sack trucks are made with heavy duty tubular frames and are produced locally to our warehouse in Dorset

They are guaranteed to be durable site workhorses and will give many years of use when compared to the cheap imports sold

The tub trolley will lift and trolley 65 ltr round tubs

The turntable trolley is a heavy duty truck that will handle up to 1000kg
