

# ORBITAL SHEET SANDER

## TP517 ORBITAL SANDER

- powerful orbital sander
- for wood, parquet & boards
- plaster, drywall joints & paint
- dust free with vac

The TP517 heavy duty orbital sander is suitable for both fine finishing and rough sanding work

When fitted to a dustex vac the sander works dust free; this improves the work environment and reduces clogging of the abrasive sheet

The yellow Superpad P sheets have multiple perforations for excellent dust ventilation, reducing the loading of the disc, working faster and longer for both sanding and finishing dusty surfaces and paints

The TP517 works well on plaster, drywall joints and emulsion as well as wood, plastic, grp and synthetic work top surfaces, removing paint, varnish and emulsion

### APPLICATIONS

- sanding wood & sheet materials
- prep marine surfaces
- smooth grp & synthetic worktops
- finish auto bodies & filler
- removing varnishes & paint films
