

# BRICK CLEANER

## LPG150 BRICK CLEANER

- reciprocating chisels
- pressure sensitive tools
- long life tungsten tipped chisels
- clean off mortar & cement
- reclaim old brick & stone
- pressure sensitive chisels for easy control
- for use by demolition & reclamation yards
- heritage, stone & masonry trades

This machine will clean old brick, stone and reclaimed building materials

It is for use by brick reclamation and demolition yards, heritage, restoration and reclamation contractors

Using contact activated chisels, the points chip away old mortar

Cleaning pressure is manually controlled by pressing the brick closer to the chisels

## APPLICATIONS

- rout mortar & brick joints
- clean out floor & expansion joints
- use on brick & stone joints
- cut out old mortar in stone work
